ABOUT

Stretching across two iconic heritage listed buildings, The Old Clare Hotel is more than just a place to crash. It has been carefully curated with curious travellers in mind.

Located in Sydney's inner-city suburb Chippendale, the land of art galleries, design studios, cafés and restaurants, it's a place designed to keep the wanderlust going, an invitation to explore where you will leave feeling both rested and inspired.

THE CLARE

The Clare bar is a refreshing take on your traditional watering hole, embracing the same ethos that made its prior incarnation so beloved. Striking the balance between a chilled Aussie pub and a hotel bar, it's a place to relax, have a drink and have a chat.
